

**Government of Punjab  
Department of School Education**

To

All DEOs  
In the State of Punjab

Memo No. 8/6-17 ਏਸੀਏ (6)

Dated: 17-7-2018

**Sub: Updation of Aadhaar numbers of students by Private Schools.**

1.0 Please refer to the discussions held sometime back on the above subject matter. All the DEOs were requested to hold a meeting with all private schools either affiliated with PSEB or CBSE or ICSE and impress upon them that Aadhaar numbers of all the students studying in private schools be updated on the portal.

2.0 However, it has come to the notice that some of these schools have still not adhered to the instructions. All DEOs are hereby requested once again to hold a review meeting with all these schools and ask them to update the Aadhaar cards of the students studying in these schools by 30.07.2018 failing which further necessary action as per rules including the withdrawal of the recognition and NOC would be taken.
